The Parent Club offers this service to all students. It allows parents to send their child/ren to school with a lunch that is reheated in our pie warmers, so that the students are able to have a hot lunch once a week.

Even if you are not a member of the Parent Club and you would like to assist in this service, but are unsure as to how it operates, please feel free to select a date and tick the second box to indicate that you have not participated before. Then one of our members can help you on the day.

Please ensure that you send heat ups to school wrapped in foil and clearly labelled (masking tape works well) with your child's name, classroom, and contents.

Thank you
