One again, time is flying by! We are now well into Term 1 with a busy few weeks ahead. Our Mil LeL Primary School Sports Day is on track to be a fantastic day tomorrow. Events have already begun with the Junior Primary children competing in the high jump Wednesday and the middle and Upper Primary students today. I would like to sincerely thank those individuals who have volunteered to help out on Friday. With some new staff on board, every bit of help is hugely appreciated! It is this willingness to help out and have a go that makes small schools tick and what enables us to have these fantastic events with limited staff to manage the many requirements of the day. A very big thank you must go to Charmaine Ramage for all of the time she has committed to preparing for the day. We will once again ask for this generosity when we compete in the Combined Schools Sports Day next Friday! Many hands make light work (and shorter stints on long jump!).

School interviews are now live so please make a time to meet with class teachers to chat about your child's learning and wellbeing. I understand that many parents have ongoing contact and possibly daily conversations with teachers but I would still encourage you to take the opportunity to do this formally through this process. If you have difficulty with the booking system, please see your class teacher.

Our Year 3, 5 and 7 students will participate in a national online practice test for NAPLAN on the 28 March. The students will only participate in one of the tests to check that the technical requirements are able to support the actual test in May. The focus is on the logistics for the practice test but it also supports our students by exposing them to the test conditions, the types of questions and the method of delivery. They will then have the opportunity to ask any questions they have and for the test to be more familiar in May. This is a useful time to reiterate to children that NAPLAN is a way to collect information but is only a snap shot of their ability and that we (school and families) value their learning in its entirety through all of the other ways they show us what they know throughout the year. If you do not wish for your child/ren to take part in NAPLAN, please contact me at the school on 8725 5883 to complete the necessary paperwork.

I'm looking forward to meeting more families, having a chat and sharing in the fun at Sports Day tomorrow! The forecast is looking great!

Warm regards,

Olivia Thomas

Reminders:

Programs will be available on the day.

- Students are encouraged to wear their team colours. Please note sneakers/sandshoes must be worn at all times. Students will also need to bring a water bottle.
- Our presentations will start at approximately 2:20pm. Once finished, students may go home with parents or carers; please see the teacher to sign out.
- There will be a shared lunch under the shelter. Please provide a savoury and a sweet, enough for your family, to be shared. Food can be dropped off at the French Room on the day. Students are to bring their own recess snack.
- Please note it is not appropriate for students to share coloured zinc cream or coloured hairspray. In the past these items have caused much work for our cleaners to tidy up afterwards.
